Case No. 3AN-22-07404 CI

Order Lifting Stay and Dissolving Preliminary Injunction

The court issued its final order in this case on December 23, 2022, but stayed implementation of that order to allow a potential, expedited appeal of that decision. The plaintiff subsequently filed a notice stating that he would not appeal the court's final order. The stay is therefore lifted. The preliminary injunction entered on September 22, 2022 delaying certification of the results for House District 27 is dissolved.

Done this 4th day of January, 2023, at Anchorage, Alaska.
